# Sno-Isle Libraries Location

# 2017- 2019 Strategic Priorities

## We will concentrate on:

- Increasing kindergarten readiness in language and literacy
- Building civic engagement to address community issues
- Strengthening our economy by supporting entrepreneurs and small business owners

## Core Services

### In keeping with our values and purpose, we:

- Sustain a diverse collection of materials in various formats
- Lend library materials
- Connect readers with books
- Provide access to computers and connectivity
- Deliver expert information and research assistance
- Present programs addressing community needs and interests
- Maintain safe, welcoming spaces

## Values

### We believe in:

- Each individual's right to free and equal access to information and ideas
- The worth and appreciation of diverse points of view
- The value of individuals, community, and culture
- The importance of innovation in meeting evolving customer needs and expectations
- Accountability for the public's resources

## Purpose

### We foster a literate and informed citizenry by:

- Providing equal access to the library and its resources for all
- Championing early literacy
- Supporting lifelong learning
- Providing space to think, meet, work, and create
- Convening people for public discourse

Our mission is to be a community doorway to reading, resources, and lifelong learning, and a center for people, ideas, and culture.
